

## **FROM THE ENVIRONMENTAL STEWARDSHIP MINISTRY**

**(ESM) Each Sunday, we kneel in our pews and pray “for the good earth which God has given us and for the wisdom and will to conserve it.” In answering this call to be intentional stewards of God’s creation, a new ministry at Saint Mary’s, the Environmental Stewardship Ministry (ESM), has come into being.**

**The ESM is offering four screenings of “A Plastic Ocean,” a documentary that brings to light the consequences of our global disposable lifestyle. An international team has captured never seen before images of marine life, plastic pollution and the ultimate consequences for human health.**

**Please come learn how our plastic use has affected the oceans and lands. The ESM respectfully requests your attendance at one of the following viewings:**

**Monday, May 7th at 7 PM in the Jones Room  
Monday, May 14th 1 PM in the Jones Room  
Tuesday, May 15th 7 PM in Farnsworth Hall and  
Monday, May 21st 1 PM in the Jones Room**

**God’s creation needs our love, respect and protection. Please, let us work together for the earth’s sake.**

**ESM Members: Jodie Greene, Dennis & Andrea Rittenhouse, Daryl & Lynn Schambach and Patti Villani. Please join us if you feel called to this Ministry and wish to help Saint Mary’s reach greater sustainability.**
